my.official.prajwal@gmail.com | +919353476434 | <http://www.linkedin.com/in/prajwalmarathe>

SKILLS

Programming Languages: Java, Python, SQL

Automation & Test Tools: Selenium, TestNG, Cucumber, Postman, JUnit, Maven, Rest Assured
API Testing, SOAP, Git, GitHub, Jenkins, Jira

Experience

LTIMindtree – Bangalore

July 2022 – Present

Quality Engineer

- Developed and maintained a comprehensive test automation suite with over 200 test cases for web-based applications using Selenium WebDriver, Java, TestNG and Maven.
- Enhanced automated tests through regular updates based on weekly user feedback from sprint meetings, resulting in quicker bug detection before production releases and a positive impact on customer satisfaction.
- Collaborated with development teams to implement BDD frameworks using Cucumber, enhancing test accuracy and ensuring alignment with user stories.
- Designed and executed API test cases with Postman identifying and resolving critical bugs.
- Integrated automated tests into CI/CD pipelines with Jenkins, significantly reducing deployment timelines and enhancing delivery efficiency.

Nextuple India Pvt Ltd – Bangalore

February 2022 – May 2022

Associate QA Engineer – Intern

- Created basic test cases using Selenium, leading to reduction in manual testing efforts.
- Conducted load testing using JMeter that optimized system performance.

PROJECT

xSelenium

Designed and developed a comprehensive software framework for a client to automate the test cases documented in Microsoft Excel. Utilizing Java and Selenium, the application streamlined the testing process by executing automated tests and generating detailed reports.

EDUCATION

- Mechanical Engineering | University Visvesvaraya College of Engineering, Bangalore
CGPA: 8.4 | (August 2018 – June 2022)
- XII (CBSE) | Jawahar Navodaya Vidyalaya Almatti, Vijayapura 86.5% | 2018
